### St. Louis Like It.

Denver, April 3.—Clara Reulien, of Bellfontaine, an Ohio heiress, whose mysterious disappearance last Sunday was reported to the police, returned today. She said she had been visiting Leadville, and felt considerably disgruntled on account of the notoriety caused by her unannounced departure.

### Good Friday.

New York, April 3.—No money market today. Wall street has gone to church.

### Saved a Little.

Washington, April 3.—The river and harbor appropriation bill was finished today by the house committee. The total amount carried by the bill is a few thousands less than ten millions, or about a million below the bill of the last congress, voted by the president and passed over.

### Suicide of an Editor.

Philadelphia, April 3.—Thomas Wharton, Sunday editor of the Philadelphia Times, fell from the fourth story of the house in which he lived, early this morning, and was instantly killed. It is generally believed he committed suicide, or late other occupants of the house had noted that Wharton seemed melancholy.

### Kansas City Stock Market.

Kansas City, April 3.—Cattle receipts, 2,000. Market steady to strong. Texas steers, \$2.50-\$3.50; Texas cows, \$2.25-\$2.75; stockers and feeders, \$2.25-\$3.50; native cows, \$1.60-\$2.50; bulls, \$1.80-\$2.25.

### Sacramento.

San Francisco, April 3.—The police are convinced that Julius Festner, the German arrested Wednesday night for following a woman, had nothing to do with the recent strangling of two abandoned women in this city. Festner was not in San Francisco when the crime indicated.

### IN THE HOUSE.

Passed Authorizing Another Bridge at St. Louis.

Washington, April 3.—The galleries of the house were well filled today, in anticipation of the renewal of the Cuban vote in connection with the presentation of the conference report on the Cuban resolution, but the attendance on the floor was smaller than usual.

Mr. Murphy, republican, Illinois, secured unanimous consent for the consideration of the bill to authorize the construction of a third bridge across the Mississippi river at St. Louis.

Mr. Barthold, republican, Missouri, offered an amendment, which was defeated, to compel the construction of the bridge at least one and a half and not between two and a half miles below Eads bridge.

### THE FRENCH CRISIS.

Senate Refuses the Government a Vote of Confidence.

Paris, April 3.—The senate to-day, by a vote of 155 to 85, adopted the following resolution:

"The senate, noting the declaration of the government that it can not add to its explanations of Tuesday on the Egyptian question, and considering these explanations insufficient, refuses it a vote of confidence."

The senate then adjourned until April 21, and the ministers met to discuss the situation.

### DIVISIONS IN THE TERRITORIES.

Washington, April 3.—The house bill requiring a residence of one year, in suits for divorce in the territories, was received with favorable endorsement by the senate committee on territories to-day. The committee amended the bill so as to provide that it shall not affect suits already begun.

### SENATOR VOOTHIES.

Washington, April 3.—Senator Voothies has been suffering all winter from a severe attack of rheumatism, complicated by nervous prostration. He has been out riding several days lately, and it is hoped he will improve as the weather becomes warmer and brighter.

It's all the same, a slight cold, congested lungs or severe cough, the infinite Cough Cure banishes them. Pillsbury & Walton.
